Empowering Our
Future!

On September 22,nd 2018, you can take action to help students, families, educators, law enforcement and communities address bullying prevention by supporting the Cool Kids Committee, Inc. 2nd Annual 5k Run/Walk “Put A Freeze On Bullying”. Nationwide, 160,000 children stay home from school each day to avoid being bullied – and the effects can be lifelong, even tragic. Most of us remember witnessing bullying, being the target of bullying, or maybe even being the bully. Show that you care about bullying prevention and support this important cause!
